The "Auto-Kamp" TRAILER

For a Day's Outing or Long Tour

It is quickly attached to any motor car and enables you to camp anywhere. Set up in seven minutes and gives a fully equipped sleeping and living tent. Saves hotel bills—garage expenses, etc.—pays for itself in one season—and increases the pleasure of touring.

A comfortable sleeping tent with two storm-proof windows giving ample ventilation—mosquito-proof—two large double beds—high and dry—with real sagless springs, comfortable, heavy mattresses, pillows and bedding—dining table, two-burner gasoline stove—ice box, cooking outfit, dishes and cutlery, equipped with dust proof food compartment. It is water-proof, wind-proof and insect-proof. There is plenty of room in the trailer for extra baggage—suit cases, hammock, folding camp chairs, etc., so that you can be just as comfortable in camp as at home. Curtain divides tent into two compartments, if desired. Row boat can be carried on top of trailer for fishing and hunting trips.

The Auto-Kamp trailer folds compactly like a Pullman berth and has a water-proof cover that keeps everything dry even in the hardest storm. It attaches by universal socket joints—adjustable for any car. No trouble—it's just as easy to drive with the trailer as without it. It follows behind you car at any speed or over any kind of roads—and tracks perfectly around turns and corners. Camp equipment can be removed in a few minutes, giving a commercial trailer of 1,500 pounds capacity—44x72 inch body with spring end gate.
